Section 2.02 Execution, Authentication and Delivery. The Notes shall be executed on behalf of the Issuer by any Authorized Officer of the Owner Trustee or the Administrator. The signature of any such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signature of individuals who were at any time Authorized Officers of the Owner Trustee or the Administrator shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of such Notes.

The Indenture Trustee shall, upon Issuer Order, authenticate and deliver the Notes for original issue in the Original Note Principal Amount of (i) with respect to the Notes, \$1,331,838,000, and (ii) with respect to the Class Ac Notes, \$500,000,000. The aggregate principal amounts of the Notes of each such Class Outstanding at any time may not exceed such amounts.

The Notes will be issued in minimum principal amount denominations of \$250,000 and integral multiples of \$1,000 in excess thereof.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Indenture Trustee by the manual signature of one of its authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.03 Limitations on Transfer of the Notes.

(a) **Notes.** No transfer of a Note in the form of a Definitive Note shall be made unless the Note Registrar shall have received a representation from the transferee of such Note, acceptable to and in form and substance satisfactory to the Note Registrar and the Depositor (such requirement is satisfied only by the Note Registrar's receipt of a transfer affidavit from the transferee substantially in the form of Exhibit B hereto), to the effect that such transferee (i) is not acquiring such Note for, or on behalf of, an employee benefit plan or other retirement arrangement that is subject to ERISA or to Section 4975 of the Code or to any substantially similar law ("Similar Law"), or any entity deemed to hold the plan assets of the foregoing (collectively, "Benefit Plans"), or (ii) its acquisition and holding of such Notes for, on behalf of, or with the assets of, a Benefit Plan will not result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code which is not covered under Prohibited Transaction Class Exemption ("PTCE") 84-14, PTCE 90-1, PTCE 91-38, PTCE 95-60, PTCE 96-23 or some other administrative or statutory exemption, and will not result in a non-exempt violation of any Similar Law.

In the case of a Note that is a Book-Entry Note, for purposes of clauses (i) or (ii) of the first sentence of the preceding paragraph, such representations shall be deemed to have been made to the Note Registrar by the transferee's acceptance of such Note that is also a Book-Entry Note (or the acceptance by a Note Holder of the beneficial interest in such Note).

(b) To the extent permitted under applicable law (including, but not limited to, ERISA), none of the Indenture Trustee, the Note Registrar or the Depositor shall have any liability to any Person for any registration or transfer of any Note that is in fact not permitted by this Section 2.03 or for the Indenture Trustee (or any

paying agent on its behalf) making any payment due on such Note to the Holder thereof or taking any other
action with respect to such Holder under the provisions of this Indenture so long as the transfer was registered
by the Note Registrar in accordance with the foregoing requirements. In addition, none of the Indenture
Trustee, the Note Registrar or the Depositor shall be required to monitor, determine or inquire as to compliance
with the transfer restrictions with respect to any Note in the form of a Book-Entry Note, and none of the
Indenture Trustee, the Note Registrar or the Depositor shall have any liability for transfers of Book-Entry Notes
or any interests therein made in violation of the restrictions on transfer described in the Prospectus, the Offering
Document and this Indenture.

In the event that a Note is transferred to a Person that does not meet the requirements of this Section 2.03, such transfer shall be of no force and effect, shall be void *ab initio*, and shall not operate to transfer any rights to such Person, notwithstanding any instructions to the contrary to the Issuer, the Indenture Trustee or any intermediary; and the Indenture Trustee shall not make any payments on such Note for as long as such Person is the Holder of such Note.

The Indenture Trustee shall cause each Note to contain a legend substantially similar to the applicable legend provided in Exhibit A hereto stating that transfer of such Notes is subject to certain restrictions as set forth herein.

(c) Any purported transfer of a Note (or any interest therein) not in accordance with this Section 2.03 shall be null and void and shall not be given effect for any purpose hereunder.

(d) The Indenture Trustee will not have the ability to monitor transfers of the Notes while they are in book-entry form and will have no liability for transfers of Book-Entry Notes in violation of any of the transfer restrictions described in this Section 2.03.

Section 2.04 Registration; Registration of Transfer and Exchange. The Indenture Trustee initially shall be the “Note Registrar” for the purpose of registering Notes and transfers of Notes as herein provided. Upon any resignation of any Note Registrar, the Issuer shall promptly appoint a successor or, if it elects not to make such an appointment, assume the duties of Note Registrar. The Issuer shall cause the Note Registrar to keep a register (the “Note Register”) in which, subject to such reasonable regulations as it may prescribe and the restrictions on transfers of the Notes set forth herein, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes.

If a Person other than the Indenture Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Indenture Trustee and the Insurers prompt written notice of the appointment of such Note Registrar and of the location, and any change in the location, of the Note Register, and the Indenture Trustee and the Insurers shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof, and the Indenture Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Executive Officer thereof as to the names and addresses of the Holders of the Notes and the principal amounts and number of such Notes.

Subject to Section 2.03, upon surrender for registration of transfer of any Note at the office or agency of the Issuer to be maintained as provided in Section 3.02, the Issuer shall execute, and the Indenture Trustee shall authenticate and the Noteholder shall be entitled to obtain from the Indenture Trustee, in the name of the designated transferee or transferees, one or more new Notes in any authorized denominations, of a like aggregate principal amount.

of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency.

Whenever any Notes are so surrendered for exchange, the Issuer shall execute, and the Indenture Trustee shall authenticate and the Noteholder shall be entitled to obtain from the Indenture Trustee, the Notes which the Noteholder making the exchange is entitled to receive.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed by, or be accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar, which requirements include membership or participation in the Securities Transfer Agent's Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Note Registrar in addition to, or in substitution for, STAMP.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Issuer or the Note Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes, other than exchanges pursuant to Section 2.05 not involving any transfer.

The preceding provisions of this Section 2.04 notwithstanding, the Issuer shall not be required to make and the Note Registrar need not register transfers or exchanges of Notes selected for redemption or of any Note for a period of 15 days preceding the due date for any payment with respect to such Note.

Section 2.05 Mutilated, Destroyed, Lost or Stolen Notes. If (i) any mutilated Note is surrendered to the Indenture Trustee, or the Indenture Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Indenture Trustee and the related Insurer, such security or indemnity as may be required by it to hold the Issuer, the Indenture Trustee and the related Insurer harmless, then, in the absence of actual notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a bona fide purchaser, and upon certification provided by the Holder of such Note that the requirements of Section 8-405 of the UCC are met, the Issuer shall execute, and upon its request the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note; *provided, however,* that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven days shall be due and payable, or shall have been called for redemption, instead of issuing a replacement Note, the Issuer may pay such destroyed, lost or stolen Note when so due or payable or upon the Optional Redemption Date without surrender thereof. If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a bona fide purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer, the Indenture Trustee and the related Insurer shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Indenture Trustee or the Insurers in connection therewith.

the Note Registrar may require the payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

Every replacement Note issued pursuant to this Section 2.05 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.05 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.06 Persons Deemed Owners. Prior to due presentment for registration of transfer of any Note, the Issuer, the Indenture Trustee and the Insurers and any agent of the Issuer, the Indenture Trustee or the Insurers may treat the Person in whose name any Note is registered (as of the day of determination) as the owner of such Note for the purpose of receiving payments of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee or the Insurers or any agent of the Issuer, the Indenture Trustee or the Insurers shall be affected by notice to the contrary.

Section 2.07 Payment of Principal and Interest. (a) The Notes shall accrue interest at the applicable Note Interest Rate as set forth in the Transfer and Servicing Agreement, and such interest shall be payable on each Payment Date, subject to Section 3.01. Interest shall be computed on the Notes on the basis of a 360-day year and the actual number of days elapsed in each Accrual Period. With respect to the Notes, the Indenture Trustee shall determine LIBOR for each applicable Accrual Period on the second London Business Day prior thereto, in accordance with the provisions of the Transfer and Servicing Agreement. All interest payments on each Class of Notes shall be made *pro rata* to the Noteholders entitled thereto. Any installment of interest or principal payable on the Notes shall be paid on the applicable Payment Date to the Person in whose name such Note (or one or more Predecessor Notes) is registered on the Record Date by check mailed first-class postage prepaid to such Person's address as it appears on the Note Register on such Record Date or, upon written request made to the Indenture Trustee at least five Business Days prior to the related Record Date, by the Holder of any Note, by wire transfer in immediately available funds to an account specified in the request and at the expense of such Noteholder, except that, unless Definitive Notes have been issued pursuant to Section 2.10, with respect to Notes registered on the Record Date in the name of the nominee of the Clearing Agency (initially, such nominee to be Cede & Co.), payment will be made by wire transfer in immediately available funds to the account designated by such nominee, except for the final installment of principal payable with respect to such Note on a Payment Date or on the applicable Final Scheduled Payment Date for the Notes (and except for the Optional Redemption Price if the Notes are called for redemption pursuant to Section 10.01), which shall be payable as provided below. The funds represented by any such checks returned undelivered shall be held in accordance with Section 3.03.

(b) The principal of the Notes shall be payable in installments on each Payment Date as provided herein and in the Notes, subject to Section 3.01. Notwithstanding the foregoing, the entire unpaid principal amount of the Notes shall be due and payable, if not previously paid, following an Event of Default to the extent and in the manner set forth in Section 7.01 of the Transfer and Servicing Agreement. All principal payments on the Notes of each Class shall be made *pro rata* to the Noteholders entitled thereto. The Indenture Trustee shall notify the Person in whose name a Note is registered at the close of business on the Record Date preceding the

08-13555-mg Doc 20087-5 Filed 09/16/11 Entered 09/16/11 17:57:32 Exhibit
Payment Date on which the Issuer expects that the final installment of principal of and interest on such Note
will be paid. Such notice shall be mailed or transmitted by facsimile as soon as practicable prior to such final
Payment Date and shall specify that such final installment will be payable only upon presentation and surrender
of such Note and shall specify the place where such Note may be presented and surrendered for payment of
such installment.

Section 2.08 Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and shall be promptly cancelled by the Indenture Trustee. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Indenture Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.08, except as expressly permitted by this Indenture. All cancelled Notes may be held or disposed of by the Indenture Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Order that they be destroyed or returned to it; *provided*, that such Issuer Order is timely and the Notes have not been previously disposed of by the Indenture Trustee.

Section 2.09 Release of Collateral. (a) Except as otherwise provided in subsections (b) and (c) of this Section 2.09 and the terms of the Operative Agreements, the Indenture Trustee shall release property from the lien of this Indenture only upon receipt by it of an Issuer Request accompanied by (i) an Officer's Certificate, (ii) an Opinion of Counsel, (iii) certificates in accordance with TIA Sections 314(c) and (d)(1), and (iv)(A) Independent Certificates in accordance with TIA Sections 314(c) and 314(d)(1) or (B) an Opinion of Counsel in lieu of such Independent Certificates to the effect that the TIA does not require any such Independent Certificates (which shall also be addressed to the Insurers); *provided* that no such Independent Certificates or Opinion of Counsel in lieu of such Independent Certificates shall be necessary in respect of property released from the lien of the Indenture in accordance with the provisions hereof if such property consists solely of cash.

(b) The Servicer, on behalf of the Issuer, shall be entitled to obtain a release from the lien of this Indenture for any Loan and the Mortgaged Property at any time (i) after a payment by any Originator, the Seller or the Servicer of the Purchase Price of the Loan, (ii) after a Qualifying Substitute Loan is substituted for such Loan and payment of the Substitution Amount, if any, (iii) after liquidation of the Loan in accordance with the applicable Servicing Agreement and the deposit of all Liquidation Proceeds and Insurance Proceeds in the Collection Account, (iv) upon the termination of a Loan (due to, among other causes, a prepayment in full of the Loan and sale or other disposition of the related Mortgaged Property), or (v) as contemplated by Section 8.02 of the Transfer and Servicing Agreement.

(c) The Indenture Trustee shall, if requested by the Servicer, temporarily release or cause the applicable Custodian temporarily to release to such party the Mortgage File pursuant to the provisions of Section 4.15 of the Transfer and Servicing Agreement and Section 5 of the applicable Custodial Agreement; *provided, however*, that the Mortgage File shall have been stamped to signify the Issuer's pledge to the Indenture Trustee under the Indenture.

Section 2.10 Book-Entry Notes. The Notes will be issued in the form of typewritten Notes or Global Securities representing the Book-Entry Notes, to be delivered to, or to the Indenture Trustee as custodian for, the initial Clearing Agency, by, or on behalf of, the Issuer. The Book-Entry Notes shall be registered initially on the Note Register in the name of Cede & Co., the nominee of the initial Clearing Agency, and no Owner thereof will receive a Definitive Note representing such Note Owner's interest in such Note, except as provided in Section 2.12. Unless and until definitive, fully registered Notes (the "Definitive Notes") have been issued to

- (i) the provisions of this Section 2.10 shall be in full force and effect;
- (ii) the Note Registrar and the Indenture Trustee shall be entitled to deal with the Clearing Agency for all purposes of this Indenture (including the payment of principal of and interest on the Notes and the giving of instructions or directions hereunder) as the sole holder of the Notes, and shall have no obligation to the Note Owners;
- (iii) to the extent that the provisions of this Section 2.10 conflict with any other provisions of this Indenture, the provisions of this Section 2.10 shall control;
- (iv) the rights of Note Owners shall be exercised only through the Clearing Agency and shall be limited to those established by law and agreements between such Note Owners and the Clearing Agency and/or the Clearing Agency Participants pursuant to the Note Depository Agreement. Unless and until Definitive Notes are issued pursuant to Section 2.12, neither the Indenture Trustee nor the Note Registrar shall register any transfer of a beneficial interest in a Book-Entry Note; and the initial Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit payments of principal of and interest on the Notes to such Clearing Agency Participants; and
- (v) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Holders of Notes evidencing a specified percentage of the Outstanding Balance of the Notes, the Clearing Agency shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Note Owners and/or Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in the Notes and has delivered such instructions to the Indenture Trustee.

Section 2.11 Notices to Clearing Agency. Whenever a notice or other communication to the Noteholders is required under this Indenture, unless and until Definitive Notes shall have been issued to Note Owners pursuant to Section 2.12, the Indenture Trustee shall give all such notices and communications to the Clearing Agency, and shall have no obligation to such Note Owners.

Section 2.12 Definitive Notes. If (i) the Clearing Agency is no longer willing or able to properly discharge its responsibilities with respect to the Book-Entry Notes and the Issuer is unable to locate a qualified successor or (ii) after the occurrence of an Event of Default, Note Owners of the Book-Entry Notes representing beneficial interests aggregating at least a majority of the Outstanding Balance of the Book-Entry Notes advise the Clearing Agency in writing that the continuation of a book-entry system through the Clearing Agency is no longer in the best interests of such Note Owners, then the Clearing Agency shall notify all Note Owners and the Indenture Trustee of the occurrence of any such event and of the availability of Definitive Notes to Note Owners requesting the same. Upon surrender to the Indenture Trustee of the typewritten Notes representing the Book-Entry Notes by the Clearing Agency, accompanied by registration instructions, the Issuer shall execute and the Indenture Trustee shall authenticate the Definitive Notes in accordance with the instructions of the Clearing Agency. None of the Issuer, the Note Registrar or the Indenture Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes, the Indenture Trustee shall recognize the Holders of the Definitive Notes as Noteholders.

Section 3.01 Payment of Principal and Interest. The Issuer will duly and punctually pay (or will cause to be duly and punctually paid) the principal of and interest on the Notes in accordance with the terms of the Notes and this Indenture. Without limiting the foregoing and in accordance with Section 8.02(b), the Issuer will cause to be distributed on each Payment Date all amounts on deposit in the Payment Account, and deposited therein pursuant to the Transfer and Servicing Agreement for the benefit of the Notes, to the Noteholders and the Insurers. Amounts properly withheld under the Code by any Person from a payment to any Noteholder of interest and/or principal shall be considered as having been paid by the Issuer to such Noteholder for all purposes of this Indenture.

The Notes shall be non-recourse obligations of the Issuer and shall be limited in right of payment to amounts available from the Collateral as provided in this Indenture. The Issuer shall not otherwise be liable for payments of the Notes, and none of the owners, agents, officers, directors, employees, or successors or assigns of the Issuer shall be personally liable for any amounts payable, or performance due, under the Notes or this Indenture. If any other provision of this Indenture shall be deemed to conflict with the provisions of this Section 3.01, the provisions of this Section 3.01 shall control.

Section 3.02 Maintenance of Office or Agency. The Note Registrar on behalf of the Issuer will maintain an office or agency where Notes may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served.

Section 3.03 Money for Payments to be Held in Trust. As provided in Section 8.02, all payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account pursuant to Article V of the Transfer and Servicing Agreement shall be made on behalf of the Issuer by the Indenture Trustee or by another Paying Agent, and no amounts so withdrawn from such accounts for payments of Notes shall be paid over to the Issuer except as provided in this Section 3.03.

On or before the third Business Day preceding each Payment Date, the Issuer shall deposit or cause to be deposited in the Payment Account an aggregate sum sufficient to pay the amounts then becoming due under the Notes, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless the Paying Agent is the Indenture Trustee) shall promptly notify the Indenture Trustee of its action or failure so to act.

Any Paying Agent shall be appointed by Issuer Order with written notice thereof to the Indenture Trustee and the Insurers. Any Paying Agent appointed by the Issuer shall be a Person that would be eligible to be Indenture Trustee hereunder as provided in Section 6.11. The Issuer shall not appoint any Paying Agent (other than the Indenture Trustee) which is not, at the time of such appointment, a Depository Institution.

The Issuer shall cause each Paying Agent other than the Indenture Trustee to execute and deliver to the Indenture Trustee and the Insurers an instrument in which such Paying Agent shall agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 3.03, that such Paying Agent will:

- (i) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise

(ii) give the Indenture Trustee and the Insurers notice of any default by the Issuer of which the Paying Agent has actual knowledge in the making of any payment required to be made with respect to the Notes;

(iii) at any time during the continuance of any such default, upon the written request of the Indenture Trustee, with the written consent of the Controlling Insurer, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) immediately resign as a Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards required to be met by a Paying Agent at the time of its appointment; and

(v) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith; *provided, however,* that with respect to reporting requirements applicable to original issue discount, the accrual of market discount or the amortization of premium on the Notes, the Issuer shall have first provided the calculations pertaining thereto and the amount of any resulting withholding taxes to the Indenture Trustee.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order direct any Paying Agent to pay to the Indenture Trustee all sums held in trust by such Paying Agent, such sums to be held by the Indenture Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to applicable laws with respect to escheat of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to the Notes and remaining unclaimed for two years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer, with the prior written request of the Controlling Insurer, on Issuer Request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee, the Insurers or such Paying Agent with respect to such trust money shall thereupon cease; *provided, however,* that if such money or any portion thereof had been previously deposited by an Insurer with the Indenture Trustee for the payment of principal or interest on the Notes, to the extent any amounts are owing to such Insurer, such amounts shall be paid promptly to such Insurer upon receipt of a written request by the Insurer to such effect; and, *provided, further,* that the Indenture Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense and direction of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York (including, but not limited to, *The Bond Buyer*), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. The Indenture Trustee shall also adopt and employ, at the expense and direction of the Issuer, any other reasonable means of notification of such repayment (including, but not limited to, mailing notice of such repayment to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in moneys due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Holder).

statutory trust under the laws of the State of Delaware (unless it becomes, or any successor Issuer hereunder is or becomes, organized under the laws of any other State or of the United States of America, in which case the Issuer will keep in full effect its existence, rights and franchises under the laws of such other jurisdiction) and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, the Collateral and each other instrument or agreement included in the Collateral.

(b) Any successor to the Owner Trustee appointed pursuant to Section 9.03 of the Trust Agreement shall be the successor Owner Trustee under this Indenture without the execution or filing of any paper, instrument or further act to be done on the part of the parties hereto.

(c) Upon any consolidation or merger of or other succession to the Owner Trustee, the Person succeeding to the Owner Trustee under the Trust Agreement may exercise every right and power of the Owner Trustee under this Indenture with the same effect as if such Person had been named as the Owner Trustee herein.

Section 3.05 Protection of Collateral. The Issuer will from time to time prepare, execute, deliver and file all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, and will take such other action necessary or advisable to:

- (i) maintain or preserve the lien and security interest (and the priority thereof) of this Indenture or carry out more effectively the purposes hereof,
- (ii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;
- (iii) enforce any rights with respect to the Collateral; or
- (iv) preserve and defend title to the Collateral and the rights of the Indenture Trustee, the Noteholders and the Insurers in such Collateral against the claims of all persons and parties.

The Issuer hereby designates the Indenture Trustee its agent and attorney-in-fact to execute any financing statement, continuation statement or other instrument required to be executed pursuant to this Section 3.05 and hereby authorizes the Indenture Trustee to file in any filing office any financing statement, amendment to financing statement, or continuation statement required to be executed pursuant to this Section 3.05. The foregoing designation shall not impose on the Indenture Trustee any obligation to take any such action.

Section 3.06 Opinions as to Collateral. On the Closing Date, the Issuer shall furnish to the Administrator, the Insurers and the Indenture Trustee an Opinion of Counsel to the effect that either, in the opinion of such counsel, such action has been taken with respect to the recording and filing of this Indenture, any indentures supplemental hereto, and any other requisite documents, and with respect to the execution and filing of any financing statements and continuation statements, as are necessary to make effective the lien and security interest of this Indenture, or stating that, in the opinion of such counsel, no such action is necessary to make such lien and security interest effective.

Section 3.07 Performance of Obligations; Servicing of the Loans. (a) The Issuer will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person

from any of such Person's material covenants or obligations under any instrument or agreement included in the
Collateral or that would result in the amendment, hypothecation, subordination, termination or discharge of, or
impair the validity or effectiveness of, any such instrument or agreement, except as expressly provided in this
Indenture, the Transfer and Servicing Agreement or such other instrument or agreement.

(b) The Issuer may contract with other Persons acceptable to the Controlling Insurer to assist it in performing its duties under this Indenture, and any performance of such duties by a Person identified to the Indenture Trustee and the Insurers in an Officer's Certificate of the Issuer shall be deemed to be action taken by the Issuer. Initially, the Issuer has contracted with the Administrator to assist the Issuer in performing its duties under this Indenture.

(c) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, the Operative Agreements and in the instruments and agreements included in the Collateral, including but not limited to filing or causing to be filed all financing statements and continuation statements required to be filed by the terms of this Indenture and the Transfer and Servicing Agreement in accordance with and within the time periods provided for herein and therein.

(d) If a responsible officer of the Owner Trustee shall have written notice or actual knowledge of the occurrence of an Event of Servicing Termination or a Rapid Amortization Event under the Transfer and Servicing Agreement, or an Event of Default hereunder, the Issuer shall promptly notify the Indenture Trustee, the Insurers and each Rating Agency thereof.

(e) As promptly as possible after the giving of notice of termination to the Servicer of the Servicer's rights and powers pursuant to Section 6.01(a) of the Transfer and Servicing Agreement, the Indenture Trustee shall proceed in accordance with Section 6.01 and 6.02 of the Transfer and Servicing Agreement.

ARTICLE V

REMEDIES

Section 5.01 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (i) a default for a period in excess of five days in the payment of all or part of the interest due on any Note, which default occurs on six consecutive Payment Dates;
- (ii) default in the payment in full of the Principal Balance of the Notes on the Final Scheduled Payment Date;
- (iii) default in the observance or performance of any covenant or agreement of the Issuer made in the Indenture (other than a covenant or agreement, a default in the observance or performance of which is elsewhere in the Indenture specifically dealt with), or any representation or warranty of the Issuer made in the Indenture, the Transfer and Servicing Agreement or in any certificate or other writing delivered pursuant to the Indenture or in connection thereto proving to have been incorrect in any material respect as of the time when the same shall have been made, and such default shall continue or not be cured, or the circumstance or condition in respect of which such misrepresentation or warranty was incorrect shall not have been eliminated or otherwise cured, for a period of 30 days after there shall have been given, by registered or certified mail, to the Issuer with a copy to the Insurers by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Note Controlling Party, a written notice specifying such default or incorrect representation or warranty and requiring it to be remedied and stating that such notice is a notice of default under the Indenture; or

The Issuer shall deliver to the Indenture Trustee and the Insurers within five days after the occurrence thereof, written notice in the form of an Officer's Certificate of any event which with the giving of notice and the lapse of time would become an Event of Default under clause (iii) above, its status and what action the Issuer is taking or proposes to take with respect thereto.

Section 5.02 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default should occur and be continuing, then and in every such case the Indenture Trustee may with the written consent of the Controlling Insurer, or shall at the direction of the Note Controlling Party, declare all the Notes to be immediately due and payable, by a notice in writing to the Issuer and the Insurers (and to the Indenture Trustee if given by Noteholders), and upon any such declaration the unpaid principal amount of such Notes, together with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

At any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article V provided, the Note Controlling Party, or the Majority Noteholders with the written consent of the Controlling Insurer, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:

(A) all payments of principal of and interest on all Notes and all other amounts that would then be due hereunder or upon such Notes and to the Insurers if the Event of Default giving rise to such acceleration had not occurred; and

(B) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel; and

(ii) all Events of Default, other than the nonpayment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.12 below.

No such rescission shall affect any subsequent default or impair any right consequent thereto.

Section 5.03 Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) The Issuer covenants that if (i) default occurs in the payment of any interest on any Note when the same becomes due and payable, and such default continues for a period of five (5) days which default occurs on six consecutive Payment Dates, or (ii) default occurs in the payment of the principal of or any

08-13555-mg Doc 20087-5 Filed 09/16/11 Entered 09/16/11 17:57:32 Exhibit
installment of the principal of any Note when the same becomes due and payable, and such default continues
for a period of five (5) days, the Issuer will, upon demand of the Indenture Trustee or the Insurers if the Insurers
have made a payment under the related Policy, pay to the Indenture Trustee or the Insurers, as applicable, for
the benefit of the Holders of the Notes or the Insurers, the whole amount then due and payable on such Notes
for principal and interest, with interest upon the overdue principal and, to the extent payment at such rate of
interest shall be legally enforceable, upon overdue installments of interest at the rate borne by the Notes and in
addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection,
including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, the
Insurers and their respective agents and counsel.

(b) In case the Issuer shall fail forthwith to pay such amounts upon such demand, the Indenture
Trustee may with the written consent of the Controlling Insurer, and subject to Section 5.11, shall at the
direction of the Note Controlling Party, institute a Proceeding for the collection of the sums so due and unpaid,
and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or
other obligor upon such Notes and collect in the manner provided by law out of the property of the Issuer or
other obligor upon such Notes, wherever situated, the moneys adjudged or decreed to be payable.

(c) If an Event of Default occurs and is continuing, the Indenture Trustee may, with the consent of
the Controlling Insurer, and subject to Section 5.11, shall at the written direction of the Note Controlling Party
or of the Majority Noteholders with the consent of the Controlling Insurer, as more particularly provided in
Section 5.05 below, proceed to protect and enforce its rights and the rights of the Noteholders and the Insurers,
by such appropriate Proceedings as the Note Controlling Party shall deem most effective to protect and enforce
any such rights whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of
the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right
vested in the Indenture Trustee by this Indenture or by law.

(d) In case there shall be pending, relative to the Issuer or any other obligor upon the Notes or any
Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United
States Code or any other applicable federal or state bankruptcy, insolvency or other similar law, or in case a
receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall
have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in
case of any other comparable judicial Proceedings relative to the Issuer or other obligor upon the Notes, or to
the creditors or property of the Issuer or such other obligor, the Indenture Trustee, irrespective of whether the
principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and
irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this
Section 5.03, shall be entitled and empowered by intervention in such Proceedings with the consent of or at the
direction of the Note Controlling Party or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal and interest owing
and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or
advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable
compensation to the Indenture Trustee, each predecessor Indenture Trustee and its agents, attorneys and
counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the
Indenture Trustee and each predecessor Indenture Trustee (except as a result of negligence or bad faith),
and of the Noteholders and the Insurers allowed in such Proceedings;

(ii) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of
Notes and the Insurers in any election of a trustee, a standby trustee or Person performing similar

(iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Noteholders, the Indenture Trustee and the Insurers on their behalf; and

(iv) to file such proofs of claim and other papers or documents and take such other action, including sitting on a committee of creditors, as may be necessary or advisable in order to have the claims of the Indenture Trustee, the Insurers or the Holders of Notes allowed in any judicial proceedings relative to the Issuer, its creditors and its property; and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Noteholders to make payments to the Indenture Trustee and, in the event that the Indenture Trustee shall consent to the making of payments directly to such Noteholders, to pay to the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee except as a result of negligence or bad faith.

(e) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder or the Insurers any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder or the Insurers in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Indenture Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any such action or Proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Notes.

(g) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Noteholders, and it shall not be necessary to make any Noteholder a party to any such Proceedings.

Section 5.04 Remedies; Priorities.

(a) If an Event of Default shall have occurred and be continuing of which a Responsible Officer of the Indenture Trustee has actual knowledge, the Indenture Trustee may with the consent of the Controlling Insurer, or, at the direction of the Note Controlling Party shall, do one or more of the following (subject to Section 5.06 below):

(i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the related Notes or under this Indenture with respect thereto, whether by declaration or otherwise, and all amounts payable under the Insurance Agreements, enforce any judgment obtained, and collect from the Issuer and any other obligor upon such Notes moneys adjudged

- (ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;
- (iii) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee or the Noteholders or the Insurers; and
- (iv) sell the Trust Estate or any portion thereof or rights or interest therein in a commercially reasonable manner, at one or more public or private sales called and conducted in any manner permitted by law;

provided, however, that the Indenture Trustee may not sell or otherwise liquidate the Trust Estate following an Event of Default, unless (A) the Indenture Trustee obtains the consent of the Controlling Insurer and the Holders of 100% of the Outstanding Amount of the Notes, (B) the proceeds of such sale or liquidation distributable to the Noteholders are sufficient to discharge in full all amounts then due and unpaid upon such Notes for principal and interest and to reimburse the Insurers for any unreimbursed Insured Payments and any other amounts due to each Insurer under its respective Insurance and Indemnity Agreement or (C) the Indenture Trustee determines that the Trust Estate will not continue to provide sufficient funds for the payment of principal of and interest on the Notes as they would have become due if the Notes had not been declared due and payable, and the Indenture Trustee obtains the consent of the Controlling Insurer and the Holders of more than 50% of the Outstanding Amount of the Notes. In determining such sufficiency or insufficiency with respect to clauses (B) and (C) above, the Indenture Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Estate for such purpose.

(b) If the Indenture Trustee collects any money or property pursuant to this Article V, the Indenture Trustee and the Paying Agent shall pay out the money or property in the following order:

FIRST: to the Indenture Trustee for any costs and expenses (including reasonable fees of its agents and counsel) incurred by it in connection with the enforcement of the remedies provided for in this Article V;

SECOND: any amounts payable to the Servicer pursuant to Section 4.20 of the Transfer and Servicing Agreement and any premium owing to the Insurers, pro rata;

THIRD: to the Noteholders for amounts due and unpaid on each class of Notes for interest pro rata among the Holders of each class of Notes, according to the amounts due and payable on such class of Notes;

FOURTH: to the Noteholders for amounts due and unpaid on each class of Notes for principal, pro rata, among the Holders of each class of Notes according to the amounts due and payable until the Note Principal Balance is reduced to zero;

FIFTH: to the Insurers, pro rata, any other amounts owed to the Insurers under the Insurance Agreements;

SIXTH: to the Indenture Trustee for any other amounts then due and outstanding; and

The Indenture Trustee may fix a record date and payment date for any payment to be made to the Noteholders pursuant to this Section 5.04. At least 15 days before such record date, the Indenture Trustee shall mail to each Noteholder, the Insurers and the Issuer a notice that states the record date, the payment date and the amount to be paid.

Section 5.05 Optional Preservation of the Trust Estate. If the Notes have been declared to be due and payable under Section 5.02 above following an Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee may with the consent of the Controlling Insurer, but need not (but shall at the written direction of the Note Controlling Party), elect to maintain possession of the Trust Estate. It is the desire of the parties hereto and the Noteholders that there be at all times sufficient funds for the payment of principal of and interest on the Notes (although the parties hereto understand that there exists the possibility of a shortfall in collections of the Loans), and the Indenture Trustee shall take such desire into account when determining whether or not to maintain possession of the Trust Estate. In determining whether to maintain possession of the Trust Estate, the Indenture Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Estate for such purpose.

Section 5.06 Limitation of Suits. No Holder of any Note shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (i) such Holder has previously given written notice to the Indenture Trustee of a continuing Event of Default;
- (ii) the Holders of not less than 50% of the Outstanding Amount of the Notes have made written request to the Indenture Trustee to institute such proceeding with respect to the Notes in respect of such Event of Default in its own name as Indenture Trustee hereunder;
- (iii) such Holder or Holders have offered to the Indenture Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;
- (iv) the Indenture Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute such proceedings;
- (v) no direction inconsistent with such written request has been given to the Indenture Trustee during such 60-day period by the Holders of a majority of the Outstanding Amount of the Notes; and
- (vi) an Insurer Default with respect to each Insurer shall have occurred and be continuing.

It being understood and intended that no Holder of Notes shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder of Notes or to obtain or to seek to obtain priority or preference over any other Holder or to enforce any right under this Indenture, except in the manner herein provided.

any other provisions in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Note on or after the respective due dates thereof expressed in such Note or in this Indenture (or, in the case of redemption, on or after the Redemption Date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.08 Restoration of Rights and Remedies. If the Indenture Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Noteholder, then and in every such case the Issuer, the Insurers, the Indenture Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee, the Insurers and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 5.09 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Indenture Trustee, the Insurers or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.10 Delay or Omission Not a Waiver. No delay or omission of the Indenture Trustee, the Insurers or any Noteholder to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee, the Insurers or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee, the Insurers or by the Noteholders, as the case may be.

Section 5.11 Control by Insurers and Noteholders. The Note Controlling Party, subject to Section 5.06, shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the class of Notes or exercising any trust or power conferred on the Indenture Trustee; provided that:

- (a) such direction shall not be in conflict with any rule of law or with this Indenture;
- (b) such Holder or Insurer, as applicable, shall have provided the Indenture Trustee with an indemnity reasonably satisfactory to it;
- (c) if the conditions set forth in Section 5.05 above have been satisfied and the Indenture Trustee elects to retain the Trust Estate pursuant to such Section 5.05, then any direction to the Indenture Trustee by Holders of Notes representing less than 100% of the Outstanding Amount of the Notes to sell or liquidate the Trust Estate shall be of no force and effect; and
- (d) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction.

Notwithstanding the rights of the Noteholders set forth in this Section 5.11, subject to Section 6.01 hereof, the Indenture Trustee need not take any action that it determines might involve it in liability or might

Section 5.12 Waiver of Past Defaults. Prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 5.02 above, the Controlling Insurer or the Majority Noteholders with the consent of the Controlling Insurer, may waive any past Default or Event of Default and its consequences except a Default (a) in the payment of principal of or interest on any of the Notes or (b) in respect of a covenant or provision hereof that cannot be modified or amended without the consent of the Holder of each Note. In the case of any such waiver, the Issuer, the Insurers, the Indenture Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 5.13 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by the Insurers, any Noteholder, or group of Noteholders with the prior written consent of the Controlling Insurer, in each case holding in the aggregate more than 10% of the Outstanding Amount of the Notes or (c) any suit instituted by any Noteholder for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture (or, in the case of redemption, on or after the Redemption Date).

Section 5.14 Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.15 Action on Notes. The Indenture Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Indenture Trustee, the Insurers or the Noteholders shall be impaired by the recovery of any judgment by the Indenture Trustee or the Insurers against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer. Any money or property collected by the Indenture Trustee shall be applied in accordance with Section 5.04(b) above.

Section 5.16 Performance and Enforcement of Certain Obligations.

(a)

Promptly following a request from the Controlling Insurer, or the Indenture Trustee with the consent of the Controlling Insurer, to do so, the Issuer shall take all such lawful action as the Indenture Trustee or the Controlling Insurer, as applicable, may request to compel or secure the performance and observance by the Seller, the Depositor and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Transfer and Servicing Agreement and other Operative Agreements, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Transfer and Servicing Agreement and the other Operative Agreements to the extent and in the manner directed by the Indenture Trustee or the Controlling Insurer, as applicable, including the transmission of notices of default on the part of the Seller, the Depositor or the Servicer thereunder and the institution of legal or administrative actions or proceedings to compel or secure performance by the Seller, the Depositor or the Servicer of each of their obligations under the Transfer and Servicing Agreement and the other Operative Agreements.

(b) If an Event of Default has occurred and is continuing, the Indenture Trustee, subject to the rights of the Insurers hereunder and under the Transfer and Servicing Agreement, may, and at the direction of the Note Controlling Party shall, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Depositor or the Servicer under or in connection with the Transfer and Servicing Agreement and the other Operative Agreements, including the right or power to take any action to compel or secure performance or observance by the Seller, the Depositor or the Servicer, as the case may be, of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension, or waiver under the Transfer and Servicing Agreement and the other Operative Agreements, and any right of the Issuer to take such action shall be suspended.

Section 5.17 Subrogation. The Indenture Trustee shall receive as attorney-in-fact of each Holder of Notes any Insurer Payments from the Insurers pursuant to the Policies. Any and all Insurer Payments disbursed by the Indenture Trustee from claims made under the related Policy shall not be considered payment by the Issuer, and shall not discharge the obligations of the Issuer with respect thereto. Each Insurer shall, to the extent it makes any payment with respect to the Notes, become subrogated to the rights of the recipient of such payments to the extent of such payments. Subject to and conditioned upon any payment with respect to the Notes by or on behalf of the Insurers, the Indenture Trustee shall assign to each Insurer all rights to the payment of interest or principal with respect to the applicable Class of Notes which are then due for payment to the extent of all payments made by each Insurer.

Section 5.18 Preference Claims.

(a) In the event that the Indenture Trustee has received a certified copy of an order of the appropriate court that any payment of principal and interest on a Note has been avoided in whole or in part as a preference payment under applicable bankruptcy law, the Indenture Trustee shall so notify the Insurers, shall comply with the provisions of each Policy to obtain payment by the Insurers of such avoided payments, and shall, at the time it provides notice to the Insurers, notify Holders of the related Class of Notes by mail that, in the event that any Noteholder's payment is so recoverable, such Noteholder will be entitled to payment pursuant to the terms of the applicable Policy. The Indenture Trustee shall furnish to each Insurer at its written request, the requested records it holds in its possession evidencing the payments of principal of and interest on the related Class of Notes, if any, which have been made by the Indenture Trustee and subsequently recovered from Noteholders and the dates on which such payments were made. Pursuant to the terms of the Policies, the related Insurer will make such payments on behalf of the related Noteholder to the receiver, conservator, debtor-in-possession or trustee in bankruptcy named in the final order of the court exercising jurisdiction on behalf of the Noteholders and not to the Indenture Trustee or any Noteholder directly (unless such Noteholder has returned principal or

(b) The Indenture Trustee shall promptly notify the Insurers of any proceeding or the institution of any action (of which a Responsible Officer of the Indenture Trustee has actual knowledge) seeking the avoidance as a preferential transfer under applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (a "Preference Claim") of any distribution made with respect to the Notes. Each Holder of Notes, by its purchase of Notes, and the Indenture Trustee hereby agree that the Controlling Insurer may at any time during the continuation of any proceeding relating to a Preference Claim direct all matters relating to such Preference Claim, including, without limitation, (i) the direction of any appeal of any order relating to any Preference Claim and (ii) the posting of any surety, supersedeas or performance bond pending any such appeal at the expense of the Insurers, but subject to reimbursement as provided in the related Insurance Agreement. In addition, and without limitation of the foregoing, as set forth in Section 5.17, the Insurers shall be subrogated to, and each Holder of the related Class of Notes and the Indenture Trustee hereby delegate and assign, to the fullest extent permitted by law, the rights of the Indenture Trustee (with respect to the Notes) and each Holder of the related Class of Notes in the conduct of any proceeding with respect to a Preference Claim, including, without limitation, all rights of any party to an adversary proceeding action with respect to any court order issued in connection with any such Preference Claim. All actions taken under this Section 5.18(b) by the Indenture Trustee shall be taken in accordance with the terms of the applicable Policy.

Section 5.19 Noteholder Rights. Each Holder of Notes by the acceptance of its Note agrees that each Insurer, so long as no Insurer Default has occurred and is continuing with respect to such Insurer, shall be treated by the Issuer, the Seller, the Depositor, the Servicer, the Owner Trustee and the Indenture Trustee as if such Insurer were the Holder of the related Class of the Notes that it insures for the purpose of the giving of any consent, the making of any direction or the exercise of any voting or other control rights otherwise given to the Holder of Notes hereunder without any further consent of the Holder of Notes. So long as no Insurer Default has occurred and is continuing with respect to the related Insurer, the Holders of the related Class of Notes may only exercise such rights with the consent of the related Insurer, except as otherwise set forth herein.

Section 5.20 Insurers' Rights Regarding Actions, Proceedings or Investigations. Until all Notes have been paid in full, all amounts owed to the Insurers have been paid in full, the Insurance Agreements have terminated and each Policy has been returned to the respective Insurer for cancellation, the following provisions shall apply:

(a) Notwithstanding anything contained herein or in the other Operative Agreements to the contrary, the Controlling Insurer shall have the right to participate in, to direct the enforcement or defense of, and, at the Controlling Insurer's sole option, to institute or assume the defense of, any action, proceeding or investigation that could adversely affect the Issuer, the Collateral, the Trust Estate or the rights or obligations of the Insurers hereunder or under the related Policy or the Operative Agreements, including (without limitation) any insolvency or bankruptcy proceeding in respect of the Servicer, the Seller, the Issuer or any affiliate thereof. Following notice to the Indenture Trustee and subject to the preceding sentence, the Controlling Insurer shall have exclusive right to determine, in its sole discretion, the actions necessary to preserve and protect the Issuer, the Collateral, and the Trust Estate. All costs and expenses of the Controlling Insurer in connection with such action, proceeding or investigation, including (without limitation) any judgment or settlement entered into affecting the Insurers or the Insurers' interests, shall be included in the Reimbursement Amount.

(b)

the Collateral, the Trust Estate or the rights or obligations of the Insurers hereunder or under the related Policy or the Operative Agreements, including (without limitation) any insolvency or bankruptcy proceeding in respect of the Servicer, the Seller, the Issuer or any affiliate thereof, the Indenture Trustee hereby agrees to cooperate with, and to take such action as directed by, the Controlling Insurer, including (without limitation) entering into such agreements and settlements as the Controlling Insurer shall direct, in its sole discretion, without the consent of any Noteholder.

(c) The Indenture Trustee hereby agrees to provide to the Insurers prompt written notice of any action, proceeding or investigation of which a Responsible Officer has received notice or has actual knowledge that names the Issuer or the Indenture Trustee as a party or that could adversely affect the Issuer, the Collateral, the Trust Estate or the rights or obligations of the Insurers hereunder or under the Policies or the Operative Agreements, including (without limitation) any insolvency or bankruptcy proceeding in respect of the Servicer, the Seller, the Depositor, the Issuer or any affiliate thereof.

(d) Notwithstanding anything contained herein or in any of the other Operative Agreements to the contrary, the Indenture Trustee shall not, without the Controlling Insurer's prior written consent or unless directed by the Controlling Insurer, undertake or join any litigation or agree to any settlement of any action, proceeding or investigation affecting the Issuer, the Collateral, the Trust Estate or the rights or obligations of the Insurers hereunder or under the related Policy or the Operative Agreements.

(e) Each Noteholder, by acceptance of its Note, and the Indenture Trustee agree that the Insurers shall have such rights as set forth in this Section 5.20, which are in addition to any rights of the Insurers pursuant to the other provisions of the Operative Agreements, that the rights set forth in this Section 5.20 may be exercised by the Controlling Insurer, in its sole discretion, without the need for the consent or approval of any Noteholder or the Indenture Trustee, notwithstanding any other provision contained herein or in any of the other Operative Agreements, and that nothing contained in this Section 5.20 shall be deemed to be an obligation of the Insurers to exercise any of the rights provided for herein.

Section 5.21 Compliance with REMIC Provisions. Notwithstanding anything herein to the contrary, the Indenture Trustee shall not knowingly take any action or fail to take any action, whether as a result of an Event of Default or otherwise, that would cause an Adverse REMIC Event. Further, the exercise of any right to accelerate the payment of amounts due on the Notes or to take any other action as a result of an Event of Default shall be conditioned upon the Indenture Trustee having received an Opinion of Counsel (which such Opinion of Counsel shall not be at the expense of the Indenture Trustee) to the effect that such exercise, such acceleration or such action will not cause an Adverse REMIC Event.

ARTICLE VI

THE INDENTURE TRUSTEE

(a) If an Event of Default of which a Responsible Officer of the Indenture Trustee has record notice or has actual knowledge has occurred and is continuing, the Indenture Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(ii) in the absence of bad faith on its part, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and on their face conforming to the requirements of this Indenture; however, the Indenture Trustee shall examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture.

(c) The Indenture Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, its own willful misconduct or its own bad faith, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 6.01;

(ii) the Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with this Indenture or upon a direction received by it from the Note Controlling Party pursuant to Article Five; and

(iv) the Indenture Trustee shall not be required to take notice or be deemed to have notice or knowledge of (A) any failure by the Issuer to comply with its obligations hereunder or in the Operative Agreements or (B) any Default, Rapid Amortization Event, Event of Default or Event of Servicer Termination, unless a Responsible Officer of the Indenture Trustee assigned to and working in its corporate trust department obtains actual knowledge of such Default, Rapid Amortization Event, Event of Default or Event of Servicer Termination or shall have received written notice thereof. In the absence of such actual knowledge or notice, the Indenture Trustee may conclusively assume that there is no Default, Rapid Amortization Event, Event of Default or Event of Servicer Termination.

(d) Every provision of this Indenture that in any way relates to the Indenture Trustee is subject to the provisions of this Section 6.01.

(e) The Indenture Trustee shall not be liable for indebtedness evidenced by or arising under any of the Operative Agreements, including principal of or interest on the Notes, or interest on any money received by it except as the Indenture Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Indenture Trustee need not be segregated from other funds except to the extent required by law or the terms of this Indenture or the Transfer and Servicing Agreement.

(g) No provision of this Indenture shall require the Indenture Trustee to expend, advance or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it *provided, however,* that the Indenture Trustee shall not refuse or fail to perform any of its duties hereunder solely as a result of nonpayment of its normal fees and expenses.

(h) Every provision of this Indenture ~~Exhibit D~~ ^{Exhibit D} ~~Op 41 of 85~~ Agreement relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee shall be subject to the provisions of this Section 6.01, Section 6.02 and to the provisions of the TIA.

(i) The Indenture Trustee shall, upon three Business Days' prior written notice to the Indenture Trustee, permit any representative of the Insurers, during the Indenture Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Indenture Trustee relating to the Notes, to make copies and extracts (at the expense of the party requesting such copies or extracts) therefrom and to discuss the Indenture Trustee's affairs and actions, as such affairs and actions relate to the Indenture Trustee's duties with respect to the Notes, with the Indenture Trustee's officers and employees responsible for carrying out the Indenture Trustee's duties with respect to the Notes.

(j) The Indenture Trustee shall execute and deliver the Transfer and Servicing Agreement, Insurance Agreements, any other Operative Agreement to which it is a party and such other documents and instruments as shall be necessary or appropriate in accordance with its duties and obligations under this Indenture.

(k) The Indenture Trustee shall not have any duty or obligation to manage, make any payment with respect to, register, record, sell, dispose of, or otherwise deal with the Collateral, or to otherwise take or refrain from taking any action under, or in connection with, any document contemplated hereby to which the Indenture Trustee is a party, except as expressly provided (i) in accordance with the powers granted to and the authority conferred upon the Indenture Trustee pursuant to this Indenture or any other Operative Agreement, and (ii) in accordance with any document or instruction delivered to the Indenture Trustee pursuant to the terms of this Indenture; and no implied duties or obligations shall be read into this Indenture or any Operative Agreement against the Indenture Trustee. The Indenture Trustee agrees that it will, at its own cost and expense, promptly take all action as may be necessary to discharge any liens on any part of the Collateral that result from actions by, or claims against itself that are not related to the administration of the Collateral.

(l) For so long as reports are required to be filed with the Commission under the Exchange Act with respect to the Issuer, on or before March 15th of each calendar year, commencing in 2007 the Indenture Trustee shall deliver to the Issuer, the Insurers and the Administrator a report (in form and substance reasonably satisfactory to the Administrator, acting on behalf of the Issuer) regarding the Indenture Trustee's assessment of compliance with the Applicable Servicing Criteria during the immediately preceding calendar year, as required under Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122 of Regulation AB. Such report shall be addressed to the Issuer and signed by an authorized officer of the Indenture Trustee, and shall address the Applicable Servicing Criteria specified on Exhibit C attached hereto.

Section 6.02 Rights of Indenture Trustee. (a) The Indenture Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Indenture Trustee need not investigate any fact or matter stated in the document.

(b) Before the Indenture Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel, which shall not be at the expense of the Indenture Trustee. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel. The right of the Indenture Trustee to perform any discretionary act enumerated in this Indenture or in any Operative Agreement shall not be construed as a duty and the Indenture Trustee shall not be answerable for other than its negligence or willful misconduct in the performance of such act.

(c) The Indenture Trustee may ~~exhibitory of the~~ ~~42 of 85~~ powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian or nominee.

(d) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided*, that the Indenture Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Indenture Trustee may consult with counsel, and any Opinion of Counsel with respect to legal matters relating to this Indenture, any Operative Agreement and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with any Opinion of Counsel of such counsel.

(f) In the event that the Indenture Trustee is also acting as Paying Agent, Note Registrar, Custodian or Administrator hereunder or under any Operative Agreement, the rights and protections afforded to the Indenture Trustee pursuant to this Article Six shall be afforded to such Paying Agent, Note Registrar, Custodian and Administrator.

(g) The Indenture Trustee shall be under no obligation to institute, conduct or defend any Proceeding or take any other remedial action under this Indenture or in relation to this Indenture, at the request, order or direction of any of the Note Controlling Party pursuant to the provisions of this Indenture, unless such Note Controlling Party shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities that may be incurred therein or thereby; *provided, however*, that the Indenture Trustee shall, upon the occurrence of an Event of Default of which a Responsible Officer of the Indenture Trustee shall have received notice or have actual knowledge (that has not been cured or waived), exercise the rights and powers vested in it by this Indenture or the Transfer and Servicing Agreement with reasonable care and skill subject to the provisions hereof and thereof.

Section 6.03 Individual Rights of Indenture Trustee. The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee. Any Paying Agent, Note Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Indenture Trustee must comply with Section 6.11.

Section 6.04 Indenture Trustee's Disclaimer. The Indenture Trustee shall not be responsible for and makes no representation as to the validity or adequacy of any of the Operative Agreements or the Notes or the sufficiency of the Collateral; it shall not be accountable for the Issuer's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer or the Servicer in this Indenture, any Operative Agreement or in any other document issued in connection with the sale of the Notes or in the Notes other than the Indenture Trustee's certificate of authentication.

Section 6.05 Notice of Events of Default, Rapid Amortization Events and Events of Servicing Termination. If an Event of Default, a Rapid Amortization Event or an Event of Servicer Termination occurs and is continuing and if it is either known by, or written notice of the existence thereof has been delivered to, a Responsible Officer of the Indenture Trustee, the Indenture Trustee shall (i) promptly mail to the Insurers notice of such event, and (ii) within 90 days after such knowledge or notice occurs, mail to each Noteholder notice of such event. Except in the case of a default in payment of principal or interest on any Note, the Indenture Trustee may withhold the notice of the Noteholders if and so long as one of its Responsible Officers in good faith determines that withholding the notice is in the interests of Noteholders; *provided* that the Indenture

Section 6.06 Reports by Indenture Trustee to Holders. The Indenture Trustee shall deliver to each Noteholder such information reasonably available to it with respect to the Notes as may be required to enable such holder to prepare its federal and state income tax returns and shall file such information returns with the Internal Revenue Service with respect to payments or accruals of interest on the Notes as are required to be filed under the Code or applicable Treasury Regulations.

Section 6.07 Compensation and Indemnity. The Indenture Trustee shall be entitled, as compensation for its services, to investment earnings with respect to the Trust Accounts as provided in the Transfer and Servicing Agreement (which amounts shall constitute the Indenture Trustee's fees for its services). The Indenture Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Indenture Trustee and any co-trustee shall be reimbursed by the Issuer, as provided in Section 5.03 of the Transfer and Servicing Agreement, for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services (as provided in the Transfer and Servicing Agreement). Reimbursable expenses under this Section 6.07 shall include the reasonable compensation and expenses, disbursements and advances of the Indenture Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Indenture Trustee, any co-trustee and their respective employees, directors and agents, as provided in Section 5.03 of the Transfer and Servicing Agreement, against any and all claim, loss, liability or expense (including attorneys' fees) incurred by it in connection with the administration of this trust and the performance of its duties hereunder or under any Operative Agreement, including, without limitation, the execution and filing of any information returns and being the mortgagee of record with respect to the Loans. The Indenture Trustee or co-trustee, as applicable, shall notify the Issuer and the Administrator promptly of any claim for which it may seek indemnity. Failure by the Indenture Trustee or the co-trustee, as applicable, to so notify the Issuer and the Administrator shall not relieve the Issuer or the Administrator of their respective obligations hereunder. The Issuer shall defend any such claim, and the Indenture Trustee and any co-trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuer shall not be required to reimburse any expense or indemnify against any loss, liability or expense incurred by the Indenture Trustee or, with respect to a co-trustee, such co-trustee through the Indenture Trustee's or co-trustee's, as the case may be, own willful misconduct, negligence or bad faith.

The Issuer's obligations to the Indenture Trustee and any co-trustee pursuant to this Section 6.07 shall survive the discharge of this Indenture. When the Indenture Trustee or any co-trustee incurs expenses after the occurrence of a Default specified in Section 7.01(c) of the Transfer and Servicing Agreement with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.08 Replacement of Indenture Trustee. No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee shall become effective until the acceptance of appointment by the successor Indenture Trustee pursuant to this Section 6.08. The Indenture Trustee may resign at any time by giving 90 days' written notice thereof to the Depositor, the Issuer, the Insurers, each Noteholder and each Rating Agency. The Issuer shall remove the Indenture Trustee if:

- (i) the Indenture Trustee fails to comply with Section 6.11;
- (ii) the Indenture Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Indenture Trustee or its property; or

If the Indenture Trustee resigns or is removed or if a vacancy exists in the office of the Indenture Trustee for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee), the Issuer shall promptly appoint a successor Indenture Trustee (approved in writing by the Controlling Insurer, so long as such approval is not unreasonably withheld) that satisfies the eligibility requirements of Section 6.11.

The resigning or removed Indenture Trustee agrees to cooperate with any successor Indenture Trustee in effecting the termination of the resigning or removed Indenture Trustee's responsibilities and rights hereunder and shall promptly provide such successor Indenture Trustee all documents and records reasonably requested by it to enable it to assume the Indenture Trustee's functions hereunder.

A successor Indenture Trustee shall deliver a written acceptance of its appointment to the retiring Indenture Trustee and to the Issuer and the Insurers. Thereupon the resignation or removal of the retiring Indenture Trustee shall become effective, and the successor Indenture Trustee shall have all the rights, powers and duties of the Indenture Trustee under this Indenture. The successor Indenture Trustee shall mail a notice of its succession to Noteholders and the Insurers. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee.

If a successor Indenture Trustee does not take office within 30 days after the retiring Indenture Trustee resigns or is removed, the retiring Indenture Trustee, the Issuer, the Controlling Insurer or the Majority Noteholders with the consent of the Controlling Insurer may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee reasonably acceptable to the Controlling Insurer.

If the Indenture Trustee fails to comply with Section 6.11, any Noteholder may petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee acceptable to the Controlling Insurer.

Section 6.09 Successor Indenture Trustee by Merger. act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer, and to
vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the
Collateral, or any part hereof, and, subject to the other provisions of this Section 6.10, such powers, duties,
obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or
separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section
6.11 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required
under Section 6.08 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act
subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture
Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and
such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is
not authorized to act separately without the Indenture Trustee joining in such act), except to the extent
that under any law of any jurisdiction in which any particular act or acts are to be performed the
Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such
rights, powers, duties and obligations (including the holding of title to the Collateral or any portion
thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or
co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any
other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate
trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been
given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every
instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this
Article Six. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested
with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee
or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including
every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to,
the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Indenture Trustee, its agent or
attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or
in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become
incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in
and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or
successor trustee.

second sentence of TIA Section 310(b)(9); *provided, however,* that there shall be excluded from the operation of
TIA Section 310(b)(1) any indenture or indentures under which other securities of the Issuer are outstanding if
the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

Section 6.12 Representations and Warranties. The Indenture Trustee hereby represents that:

The Indenture Trustee may destroy any list furnished to it as provided in such Section 7.01 upon receipt of a new list so furnished. If either Insurer, three or more Noteholders, or one or more Holders of a Class of Notes evidencing not less than 25% of the Outstanding Balance thereof (hereinafter referred to as "Applicants"), apply in writing to the Indenture Trustee, and such application states that the Applicants desire to communicate with other holders with respect to their rights under this Indenture or under the Notes, then the Indenture Trustee shall, within five Business Days after the receipt of such application, afford such Applicants access, during normal business hours, to the current list of Holders. Every Holder, by receiving and holding a Note, agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders under this Indenture, regardless of the source from which such information was derived.

(b) Noteholders may communicate pursuant to TIA Section 312(b) with other Noteholders with respect to their rights under this Indenture or under the Notes.

(c) The Issuer and the Indenture Trustee shall have the protection of TIA Section 312(c).

Section 7.03 Reports by Issuer. (a) The Issuer shall:

(i) file with the Indenture Trustee (with a copy to the Insurers) and the Commission in accordance with the rules and regulations prescribed from time to time by the Commission such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(ii) supply to the Indenture Trustee (and the Indenture Trustee shall transmit by mail to all Noteholders described in TIA Section 313(c)) (with a copy to the Insurers) such summaries of any information, documents and reports required to be filed by the Issuer pursuant to clause (i) of this Section 7.03(a) and by rules and regulations prescribed from time to time by the Commission.

(b) Unless the Issuer otherwise determines, the fiscal year of the Issuer shall end on December 31 of each year.

Section 7.04 Reports by Indenture Trustee. If required by TIA Section 313(a), within 60 days after each March 1, beginning with March 1, 2006, the Indenture Trustee shall mail to each Noteholder as required by TIA Section 313(c) (with a copy to the Insurers) a brief report dated as of such date that complies with TIA Section 313(a). The Indenture Trustee also shall comply with TIA Section 313(b).

A copy of each report at the time of its mailing to Noteholders shall be filed by the Indenture Trustee with the Commission and each securities exchange, if any, on which the Notes are listed. The Issuer shall notify the Indenture Trustee if and when the Notes are listed on any securities exchange.

No party relying upon an instrument executed by the Indenture Trustee as provided in this Article Eight shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any monies.

(b) The Indenture Trustee shall, at such time as there are no Notes Outstanding and all sums due to the Noteholders pursuant to the Transfer and Servicing Agreement and all fees and expenses of the Indenture Trustee, the Servicer, the Administrator and the Custodians pursuant to this Indenture have been paid, and all Reimbursement Amounts and other fees and expenses owing to the Insurers pursuant to the Insurance Agreements have been paid and the Policies have been cancelled and returned to the Insurers, release any remaining portion of the Collateral that secured the Notes from the lien of this Indenture and release to the Issuer or any other Person entitled thereto any funds then on deposit in the Trust Accounts. The Indenture Trustee shall release property from the lien of this Indenture pursuant to this subsection (b) only upon receipt of an Issuer Request accompanied by an Officer's Certificate, an Opinion of Counsel and (if required by the TIA) Independent Certificates in accordance with TIA Sections 314(c) and 314(d)(1) meeting the applicable requirements of Section 11.01 hereof.

The Indenture Trustee may rely on an Opinion of Counsel to determine whether or not any Notes would be affected by any supplemental indenture and any such determination shall be conclusive upon the Holders of all Notes, whether theretofore or thereafter authenticated and delivered hereunder.

It shall not be necessary for any Act of Noteholders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section 9.02, the Indenture Trustee shall mail to the Holders of the Notes, the Insurers and each Rating Agency a notice setting forth in general terms the substance of such supplemental indenture. Notices required to be given to the Rating Agencies by the Issuer, the Indenture Trustee or the Owner Trustee shall be in writing, personally delivered or mailed by certified mail, return receipt requested, to the address provided in the Transfer and Servicing Agreement or such other address as shall be designated by written notice to the other parties.

Section 11.05 Notices to Noteholders; Waiver. Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid to each Noteholder affected by such event (and in all cases, the Insurers shall receive notice), at such Holder's address as it appears on the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Indenture Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute a Default or an Event of Default.

Section 11.06 Conflict with Trust Indenture Act. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the Trust Indenture Act, such required provision shall control.

The provisions of TIA Sections 310 through 317 that impose duties on any person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein.

Section 11.07 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 11.08 Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents.

Section 11.09 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 11.10 Benefits of Indenture and Consents of Noteholders. Nothing in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Owner Trustee, the Insurers and the Noteholders, any benefit or any legal or equitable right, remedy or claim under this Indenture. Each Noteholder and Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, consents to and agrees to be bound by the terms and conditions of this Indenture. The Insurers and their respective successors and permitted assigns shall be third-party beneficiaries to the provisions of this Indenture, and shall be entitled to rely upon and directly to enforce such provisions of this Indenture.

Section 11.11 Legal Holidays. In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no additional interest shall accrue for the period from and after any such nominal date in respect of such payment date.

Section 11.12

CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT
REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE
GENERAL OBLIGATIONS LAW), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE
PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

Section 11.13 Counterparts. This Indenture may be executed in any number of counterparts, each of
which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one
and the same instrument.

Section 11.14 Recording of Indenture. If this Indenture is subject to recording in any appropriate public
recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion
of Counsel (which may be counsel to the Indenture Trustee or any other counsel reasonably acceptable to the
Indenture Trustee and the Controlling Insurer) to the effect that such recording is necessary either for the
protection of the Noteholders or any other Person secured hereunder or for the enforcement of any right or
remedy granted to the Indenture Trustee under this Indenture.

Section 11.15 Trust Obligations. No recourse may be taken, directly or indirectly, with respect to the
obligations of the Issuer, the Owner Trustee or the Indenture Trustee on the Notes or under this Indenture or any
certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee or the
Owner Trustee in their respective individual capacities, (ii) any owner of a beneficial interest in the Issuer or
(iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee or the
Owner Trustee in its respective individual capacity, any holder of a beneficial interest in the Issuer, the Owner
Trustee or the Indenture Trustee or of any successor or assign of the Indenture Trustee or the Owner Trustee in
its individual capacity, except as any such Person may have expressly agreed (it being understood that the
Indenture Trustee and the Owner Trustee have no such obligations in their respective individual capacities) and
except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law,
for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call
owing to such entity. For all purposes of this Indenture, in the performance of any duties or obligations of the
Issuer hereunder, the Owner Trustee shall be subject to, and entitled to the benefits of, the terms and provisions
of Articles V, VI and VII of the Trust Agreement.

In addition, (i) this Indenture is executed and delivered by Wilmington Trust Company, not individually
or personally but solely as Owner Trustee, in the exercise of the powers and authority conferred and vested in it,
(ii) each of the representations, undertakings and agreements herein made on the part of the Issuer or the Owner
Trustee is made and intended not as personal representations, undertakings and agreements by Wilmington
Trust Company but is made and intended for the purpose for binding only the Issuer, (iii) nothing herein
contained shall be construed as creating any liability on Wilmington Trust Company, individually or personally,
to perform any covenant either expressed or implied contained herein, all such liability, if any, being expressly
waived by the Indenture Trustee and by any Person claiming by, through or under the Indenture Trustee, and
(iv) under no circumstances shall Wilmington Trust Company be personally liable for the payment of any
indebtedness or expenses of the Issuer or be liable for the breach or failure of any obligation, representation,
warranty or covenant made or undertaken by the Issuer under this Indenture or the Operative Agreements.

Section 11.16 No Petition. The Indenture Trustee, by entering into this Indenture, and each Noteholder,
by accepting a Note, hereby covenant and agree that they will not at any time institute against the Depositor or
the Issuer, or join in any institution against the Depositor or the Issuer of, any bankruptcy, reorganization,
arrangement, insolvency or liquidation proceedings, or other proceedings under the Bankruptcy Code or any

Section 11.17 Inspection. The Issuer agrees that, on reasonable prior notice, it will permit any representative of the Indenture Trustee or of the Insurers, during the Issuer's normal business hours, to examine all the books of account, records, reports and other papers of the Issuer, to make copies and extracts therefrom, to cause such books to be audited by Independent Public Accountants, and to discuss the Issuer's affairs, finances and accounts with the Issuer's officers, employees and Independent certified public accountants, all at such reasonable times and as often as may be reasonably requested. The Indenture Trustee shall, and shall cause its representatives to, hold in confidence all such information except to the extent disclosure may be required by law (and all reasonable applications for confidential treatment are unavailing) and except to the extent that the Indenture Trustee may reasonably determine that such disclosure is consistent with its obligations hereunder.

IN WITNESS WHEREOF, the Issuer and the Indenture Trustee have caused this Indenture to be duly executed by their respective officers, thereunto duly authorized and duly attested, all as of the day and year first above written.

This Note is one of a duly authorized issue of Notes of the Issuer, all issued under the Indenture, to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of respective rights and obligations thereunder of the Issuer, the Indenture Trustee and the Holders of Notes. To the extent that any provision of this Note contradicts or is inconsistent with the provisions of the Indenture, the provisions of the Indenture shall control and supersede such contradictory or inconsistent provision herein. This Note is subject to all terms of the Indenture.

The Class Ax Notes are, and will be, equally and ratably secured by the collateral pledged as security therefor as provided in the Indenture.

Payments to each Noteholder shall be made (i) by check mailed to the Person whose name appears as the Registered Holder of this Note (or one or more Predecessor Notes) on the books of the Indenture Trustee as of the close of business on each Record Date or (ii) upon written request made to the Indenture Trustee at least five Business Days prior to the related Record Date by the Holder of a Note, by wire transfer in immediately available funds to an account specified in writing by such Noteholder, except that with respect to a Note registered on the Record Date in the name of the nominee of the Clearing Agency (initially, such nominee to be Cede & Co.), payments will be made by wire transfer in immediately available funds to the account designated by such nominee. The final payment in retirement of this Note shall be made only upon surrender of this Note to the Indenture Trustee at the office thereof specified in the notice to Noteholders of such final payment mailed prior to the Payment Date on which the final payment is expected to be made to the Holder thereof.

As described above, the entire unpaid principal amount of this Note shall be due and payable on the earlier of the Final Scheduled Payment Date and the Redemption Date, if any, pursuant to Section 8.02 of the Transfer and Servicing Agreement. Notwithstanding the foregoing, on the date on which a Rapid Amortization Period as described in Section 5.01 of the Indenture shall have occurred and be continuing, with the prior written consent of the Insurer (so long as there is no continuing Insurer Default) shall have the right among others to direct the Indenture Trustee to sell or liquidate the Loans as provided in Section 7.01 of the Transfer and Servicing Agreement and pay such amounts to the Holders of the Notes in accordance with the terms thereof. All principal payments on the Class Ax Notes shall be made *pro rata* to the Holders of the Class Ax Notes entitled thereto.

Any reduction in the principal amount of this Note (or any one or more Predecessor Notes) effected by any payments made on any Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not noted hereon. If funds are expected to be available, as provided in the Indenture, for payment in full of the then remaining unpaid principal amount of this Note on a Payment Date, then the Indenture Trustee, in the name of and on behalf of the Issuer, will notify the Person who was the Holder hereof as of the Record Date preceding such Payment Date by notice mailed prior to such Payment Date and the amount then due and payable shall be payable only upon presentation and surrender of this Note at the office designated by the Indenture Trustee for such purposes located in The City of New York.

As provided in the Indenture, the Notes may be redeemed pursuant to Section 10.01 of the Indenture, in whole, but not in part, on the payment on or after which the aggregate Note Principal Amount of all Classes of Notes (after giving effect to payments of principal on such Payment Date) declines to 10% or less of the aggregate Original Note Principal Amount of all Classes of Notes, the Master Servicer, acting directly or through one or more Affiliates, may purchase from the Issuer all (but not fewer than all) of the Loans and all other property, with the consent of the Insurer if such purchase will result in a draw on the Policy or any Reimbursement Amounts are owing to the Insurer or will be owing to the Insurer as a result of such purchase,

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Note may be registered on the books of the Note Registrar upon surrender of this Note for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, (i) duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar which requirements include membership or participation in Securities Transfer Agent's Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act, and (ii) accompanied by such other documents as the Indenture Trustee may require, and thereupon one or more new Notes of authorized denominations and in the same aggregate principal amount will be issued to the designated transferee or transferees. No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Issuer or the Note Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes, other than exchanges pursuant to Section 2.05 or 9.05 of the Indenture not involving any transfer.

The Class Ax Notes will be issued in minimum principal amount denominations of \$250,000 and integral multiples of \$1,000 in excess thereof.

Each Noteholder and Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, covenants and agrees by accepting the benefits of the Indenture that such Noteholder or Note Owner will not at any time institute against the Depositor, or the Issuer or join in any institution against the Depositor or the Issuer of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings, under any United States federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, the Indenture or the Operative Agreements.

Each Noteholder and Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, consents to and agrees to be bound by the terms and conditions of the Indenture.

Prior to the due presentment for registration of transfer of this Note, the Issuer, the Indenture Trustee and the Insurer and any agent of the Issuer, the Indenture Trustee or the Insurer may treat the Person in whose name this Note (as of the day of determination or as of such other date as may be specified in the Indenture) is registered as the owner hereof for all purposes, whether or not this Note be overdue, and none of the Issuer, the Indenture Trustee or any such agent shall be affected by notice to the contrary.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof by supplemental indenture and the modification of the rights of the Holders of the Notes under the Indenture by the Issuer and the Indenture Trustee and with the consent of the Insurer and the Holders of not less than 66-2/3% of the Outstanding Balance of the Notes of each Class, by Act of such Holders delivered to the Issuer and the Indenture Trustee, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of the Holders of the Notes under the Indenture. Any such consent or waiver by the Holder of this Note (or any one of more Predecessor Notes) shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note. The Indenture also permits the Indenture Trustee to amend or waive certain terms and conditions set forth in the Indenture without the consent of Holders of the Notes issued thereunder but with the consent of the Insurer.

The Notes are issuable only in registered form in denominations as provided in the Indenture, subject to certain limitations therein set forth.

THIS NOTE AND THE INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place, and rate, and in the coin or currency herein prescribed.

Anything herein to the contrary notwithstanding, except as expressly provided in the Operative Agreements, none of the Owner Trustee in its individual capacity, the Indenture Trustee, in its individual capacity, any owner of a beneficial interest in the Issuer, or any of their respective partners, beneficiaries, agents, officers, directors, employees or successors or assigns shall be personally liable for, nor shall recourse be had to any of them for, the payment of principal of or interest on, or performance of, or omission to perform, any of the covenants, obligations or indemnifications contained in this Note or the Indenture, it being expressly understood that said covenants, obligations and indemnifications have been made by the Issuer for the sole purposes of binding the interests of the Issuer in the assets of the Issuer. The Holder of this Note by its acceptance hereof agrees that, except as expressly provided in the Operative Agreements in the case of a Event of Default under the Indenture, the Holder shall have no claim against any of the foregoing for any deficiency, loss or claim therefrom; *provided, however*, that nothing contained herein shall be taken to prevent recourse to, and enforcement against, the assets of the Issuer for any and all liabilities, obligations and undertakings contained in the Indenture or in this Note.

This Note is one of a duly authorized issue of Notes of the Issuer, all issued under the Indenture, to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of respective rights and obligations thereunder of the Issuer, the Indenture Trustee and the Holders of Notes. To the extent that any provision of this Note contradicts or is inconsistent with the provisions of the Indenture, the provisions of the Indenture shall control and supersede such contradictory or inconsistent provision herein. This Note is subject to all terms of the Indenture.

The Class Ac Notes are, and will be, equally and ratably secured by the collateral pledged as security therefor as provided in the Indenture.

Payments to each Noteholder shall be made (i) by check mailed to the Person whose name appears as the Registered Holder of this Note (or one or more Predecessor Notes) on the books of the Indenture Trustee as of the close of business on each Record Date or (ii) upon written request made to the Indenture Trustee at least five Business Days prior to the related Record Date by the Holder of a Note, by wire transfer in immediately available funds to an account specified in writing by such Noteholder, except that with respect to a Note registered on the Record Date in the name of the nominee of the Clearing Agency (initially, such nominee to be Cede & Co.), payments will be made by wire transfer in immediately available funds to the account designated by such nominee. The final payment in retirement of this Note shall be made only upon surrender of this Note to the Indenture Trustee at the office thereof specified in the notice to Noteholders of such final payment mailed prior to the Payment Date on which the final payment is expected to be made to the Holder thereof.

As described above, the entire unpaid principal amount of this Note shall be due and payable on the earlier of the Final Scheduled Payment Date and the Redemption Date, if any, pursuant to Section 8.02 of the Transfer and Servicing Agreement. Notwithstanding the foregoing, on the date on which a Rapid Amortization Period as described in Section 5.01 of the Indenture shall have occurred and be continuing, with the prior written consent of the Insurer (so long as there is no continuing Insurer Default) shall have the right among others to direct the Indenture Trustee to sell or liquidate the Loans as provided in Section 7.01 of the Transfer and Servicing Agreement and pay such amounts to the Holders of the Notes in accordance with the terms thereof. All principal payments on the Class Ac Notes shall be made *pro rata* to the Holders of the Class Ac Notes entitled thereto.

Any reduction in the principal amount of this Note (or any one or more Predecessor Notes) effected by any payments made on any Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not noted hereon. If funds are expected to be available, as provided in the Indenture, for payment in full of the then remaining unpaid principal amount of this Note on a Payment Date, then the Indenture Trustee, in the name of and on behalf of the Issuer, will notify the Person who was the Holder hereof as of the Record Date preceding

such Payment Date by notice mailed prior to such Payment Date and the amount then due and payable shall be
payable only upon presentation and surrender of this Note at the office designated by the Indenture Trustee for
such purposes located in The City of New York.

As provided in the Indenture, the Notes may be redeemed pursuant to Section 10.01 of the Indenture, in whole, but not in part, on the payment on or after which the aggregate Note Principal Amount of all Classes of Notes (after giving effect to payments of principal on such Payment Date) declines to 10% or less of the aggregate Original Note Principal Amount of all Classes of Notes, the Master Servicer, acting directly or through one or more Affiliates, may purchase from the Issuer all (but not fewer than all) of the Loans and all other property, with the consent of the Insurer if such purchase will result in a draw on the Policy or any Reimbursement Amounts are owing to the Insurer or will be owing to the Insurer as a result of such purchase, of the Issuer at a price set forth in the Transfer and Servicing Agreement.

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Note may be registered on the books of the Note Registrar upon surrender of this Note for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, (i) duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar which requirements include membership or participation in Securities Transfer Agent's Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act, and (ii) accompanied by such other documents as the Indenture Trustee may require, and thereupon one or more new Notes of authorized denominations and in the same aggregate principal amount will be issued to the designated transferee or transferees. No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Issuer or the Note Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes, other than exchanges pursuant to Section 2.05 or 9.05 of the Indenture not involving any transfer.

The Class Ac Notes will be issued in minimum principal amount denominations of \$250,000 and integral multiples of \$1,000 in excess thereof.

Each Noteholder and Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, covenants and agrees by accepting the benefits of the Indenture that such Noteholder or Note Owner will not at any time institute against the Depositor, or the Issuer or join in any institution against the Depositor or the Issuer of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings, under any United States federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, the Indenture or the Operative Agreements.

Each Noteholder and Note Owner, by acceptance of a Note or, in the case of a Note Owner, a beneficial interest in a Note, consents to and agrees to be bound by the terms and conditions of the Indenture.

Prior to the due presentment for registration of transfer of this Note, the Issuer, the Indenture Trustee and the Insurer and any agent of the Issuer, the Indenture Trustee or the Insurer may treat the Person in whose name this Note (as of the day of determination or as of such other date as may be specified in the Indenture) is registered as the owner hereof for all purposes, whether or not this Note be overdue, and none of the Issuer, the Indenture Trustee or any such agent shall be affected by notice to the contrary.

Any such consent or waiver by the Holder of this Note (or any one of more Predecessor Notes) shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note. The Indenture also permits the Indenture Trustee to amend or waive certain terms and conditions set forth in the Indenture without the consent of Holders of the Notes issued thereunder but with the consent of the Insurer.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

The Notes are issuable only in registered form in denominations as provided in the Indenture, subject to certain limitations therein set forth.

THIS NOTE AND THE INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.
